Mission statement

“To serve the locals and those in need, and to share with them the compassion and hope of Jesus.”

About 105 Gibson Centre

105 Gibson Centre, is a Christian faith-based care centre, devoted to bringing positive changes to the surrounding neighborhood through a wide range of social services. Six core ministries namely, **Youth Services; Abundant Life Program; Community Classroom; Community Needs; Cultural Cafe and Sports Ministry**, drive the major programs being offered at our 47,000-square-foot facility, such as youth success initiatives, food bank, thrifty store, wellness awareness series, recreational activities and more.

The Centre, has started operation in October 2013, is dedicated to serving all members of the community regardless of their ethnicity, religion, gender and background because it is the compassion and hope of Jesus that we want to share.

The Centre also serves as a platform for local organizations to come on board and provide programs and services that meet more specific needs.

Community Classrooms

To promote recurring learning by offering quality classes with qualified instructors to maintain a learning community. To establish a community that learns and grows together.

Community Needs

To build relationships with the local community through material outreach programs in pursuit to bringing them to know of Jesus' love and passion.

Youth Services

To engage and empower youths in multi-ethnic community programs to become world citizens and global disciples grounded in the character of Jesus Christ.

Abundant Life Program

To serve the retired and semi-retired people in our neighborhood through the love of Christ, and to bring fulfillment, love and abundance into their lives. This unique and exciting program offers a broad range of health, cultural, social, spiritual and recreational activities.

About 105 Gibson Centre

Cultural Café

To nurture the local cultural capital by providing a platform for cultural interaction through events like writer's talk, unplug mini-concert, workshop, movie night, arts-talk, cultural exchange, faith in dialogue etc. To utilize performance to facilitate cultural appreciation that encourages beautiful differences from our Creator and welcome different cultures to mix together.

Sports Ministry

To encourage the local community in developing and maintaining a healthy lifestyle through a wide range of physical activities.
